

International Commercial Arbitration Practice: 21st Century Perspectives from LexisNexis®

Horacio A. Grigera Naón and Paul E. Mason, Editors

An indispensable tool bringing together the insights of In-House Counsel, Outside Counsel, Arbitrators and Major Arbitration Organizations to assist practitioners, arbitrators and academics in:

- **Understanding key elements in International Commercial Arbitration (ICA) practice from the arbitrator's perspective**

Includes chapters regarding ICA under different legal systems such as common law, civil law, and *shari'a* law

Includes chapter on cultural issues in ICA

- **Gaining insights into ICA practice in various regions of the world**

Contains geographical regional overviews covering major regions of the world including Western Europe, Russia/NIS countries, Asia, the Middle East & North Africa, Latin America, the U.S., Canada, and Australia & New Zealand

- **Discovering how ICA operates today, its influence in the settlement of disputes in key industries and commercial activities, and predicting future growth areas and trends**

Provides industry sector views of ICA including oil & gas, LNG, mining, construction, telecommunications, satellite communications, IP, sports, banking & finance, insurance & reinsurance, securities, shipping & maritime, and corporate shareholder and bankruptcy disputes written by in-house or outside counsel who focus on these industries

- **Understanding the role and practice of various arbitral institutions and recent trends/areas of growth for those institutions**

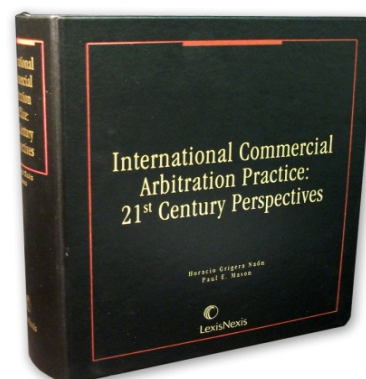

Contains updates of activities of major global arbitral institutions (ICC, ICDR, LCIA, WIPO, CPR) written by top level figures in these institutions

- **Analyzing the effect of recent technological advances on ICA practice**

Includes chapters relating to the use of technology by some major arbitral institutions, videoconferencing in ICA, and online arbitration of internet domain name and e-commerce cases
